

Be our guest

Be our guest at a special non-fundraising evening honoring **Jeffrey Hons, President and CEO of Planned Parenthood South Texas**. Jeffrey is visiting Portland to speak at the [City Club of Portland's Friday Forum](#) to help explain the Club's opposition to Measure 106, which bans state funding of abortions. We want to introduce Jeffrey to the Oregonians who keep our state in the forefront of reproductive rights.

We'll offer a fall buffet with Oregon wines. We hope you enjoy the food and wine as much as you'll enjoy meeting Jeffrey.

We also welcome **Lisa Gardner, President and CEO of Planned Parenthood of Southwestern Oregon** and a leader of the national effort to defeat Measure 106 and similar measures in two other states.
